

The Lord of the Rings : Vocabulary

- ***Elves*** : an immortal race, with sharp ears and nice characteristics. They are considered as the most wise race in Middle Earth.
- ***Dwarves*** : a small race specialised in mining. They don't appreciate elves and are very good at hand-to-hand weapons (axes).
- ***Wizards*** : men who are practising magic arts.
- ***Hobbits*** : a small race like dwarves, but smaller and less robust than them.
- ***Orcs*** : very bad race ; they are elves who have been kidnapped and bred by Evil forces.
